

For more than 130 years, the family-owned company Thies has been producing machines in Coesfeld, Germany. Our know-how ranges from development to individual design and precise manufacturing up to worldwide assembly and commissioning.

For the next possible date we are looking for a:

SERVICE TECHNICIAN (F/M/D) IN FULL-TIME

YOUR TASKS

- Assembly and commissioning of our textile dyeing machines.
- Service and complaint processing.
- Training of customer staff.

YOUR PROFILE

- Completed vocational training as electronics technician, industrial electronics technician, Power plant electronics technician, application technician, or the like.
- Fluent English language skills, knowledge of other languages is desirable.
- High willingness to travel.
- Work experience.
- Car driver's license.
- Good to very good PC skills.
- Knowledge of PLC-programming is an advantage.

WE OFFER

- A family-oriented, collegial working environment.
- A flexible working time account.
- Performance-based compensation, including vacation and Christmas bonuses.
- Bonuses for suggestions for improvement and employee recruitment.
- Offers for company pension plans.
- Regular company events.
- Work and protective clothing, as well as cleaning offers.
- Modern, well-equipped and safe workplaces.
- Good connections to public transportation, covered bicycle parking, as well as parking spaces and charging infrastructure for eMobility.
